Slip D informing him that there are no good grounds for cancelling the sale of the muzafirkhana.

Slip E Patel Subbanagappa has petitioned the Councillor praying for a re-consideration of the foregoing orders. He states that from certain enclosures filed with his petition, it is clear that the muzafirkhana in question is a charitable institution intended for the benefit of the travellers; that there are standing orders prohibiting the sale of such buildings in satisfaction of private debts and that the Land Revenue is a paramount charge on the land and if other lands of the defaulter are also sold for the

~~balance~~ arrear of land Revenue due to Govt the purchaser of such land is only entitles to the right, title and interest of the defaulter. He further represents that a sum of Rs 1340/ said to be falsely due from Srikantiah has been recovered from (Petr's) his private property, that the price of the chattram is Rs 2500/; that the sale of the building conducted by the Amildar is irregular; that the property was knocked down to Abdul Ghafoor Ameen Saheb, the Amildar's man, for a sum of Rs 1,100/, and that no opportunity was afforded to the persons present at the sale to offer their bid He prays that the sale may be cancelled and that if the sale is confirmed by Govt, a sum

Deputy Commissioner's Office,

Dated Camp Bowringpet, 17th November 1906

From

C. Srikanteswara Aiyar Esqr., B.A. B.L.,
Deputy Commissioner, Kolar District.

To

L. Anantaswami Rao Esqr., B.A.,
Secretary to the Govt. of H. H. the Maharaja of
Mysore, Muzrai Department.

Sir,

With reference to your docket No.921 dated the 8th August 1906, forwarding for enquiry and report, the memorial addressed to His Highness the Maharaja of Mysore, by one Sadasiviah, of Srinivaspur, complaining that an alleged Musafirkhana built by his elder brother during the life time of his father on a peice of Government land, granted free for that purpose, was brought under attachment in satisfaction of certain private debts of one Srikantiah, I have the honor to forward herewith, the entire records connected with the sale and to state as follows:-

2. The said Srikantiah, Patel of Srinivaspur, absconded, having embezzled Government money to the extent of Rs.1377-11-11 and consequently to realize the amount so embezzled, all the immovable property belonging to his family was proclaimed for sale in the ordinary course, and eventually after due local enquiry the right, title and interest of the absconded Srikantiah in the Musafirkhana in question were also sold.

3. This Musafirkhana or Chatram is a building constructed by the absconded Srikantiah's father Subrayappa, the divided brother of the petitioner Sadasiviah, who, as Shanbogue of Srinivaspur has been under suspension since 1897 for series of defalcations

and who has lately been directed by Government to be dismissed from service, the whole family being declared to have forfeited the Shanbogi hak (Vide Govt. Pro. No.2469/R.P.155-01-3 dated 27th August 1906). Whatever was the early history of the grant of the land to the said petitioner's divided brother Subrayappa, it is well known in the locality that it was the said brother Subrayappa who in his days as one of the influential men of the place built the Chatram mostly out of funds collected from many persons over whom he had influence as Patel, and this building has for many years past been used as his own private property, and was in his khata and not in that of the petitioner's father which would have been the case had it been built out of family funds. It cannot be presumed that it was wrongly inserted in the khata of Subrayappa, the Patel, as his own brother the petitioner, was himself the the Shanbogue. In the Khaneshmari accounts this building is mentioned as a Musafirkhana, probably to evade the Khataraf tax this Musafirkhana was besides lately let out by a formal Lease to a Mussalman Tamradi bark contractor for storing his tamradi bark therein, wherein the contractor also resided. It was thus neither used as a public charitable rest-house, nor was it regarded as such by the public.

4. The petitioner Sadasiviah, at the time of the sale, petitioned against it on the ground that it was a charitable institution in which he had half a share alone with his brother Subrayappa, who built the Chatram. Careful enquiries that followed, confirmed that the building was the private property of the said Subrayappa, built by himself and used for his own private purposes, that the khata of the building was also in his own name and that Sadasiviah had no manner of right whatever to it. Therefore it was that the "right, title and interest" of the aforesaid Srikantiah and his family in the said building were sold for Rs.1001 (Rupees One thousand and one), along with other properties sold outright. The then Deputy Commissioner, Mr. K. P. Puttanna Chetty confirmed the sale (along with other sales), not on account

of any private debts of Srikantiah as alleged by the petitioner but for realizing the Government money embezzled by the former.

5. It will thus be seen that the petitioner, the dismissed Shanbogue, is the paternal, divided uncle of the absconded Patel Srikantiah and that both of them, as members of the same family, have long been in the habit of carrying on their nefarious practice till the latter absconded and who is still at large. During my late tour in the Taluk, the matter came to my notice and I inspected the building which the townspeople represented had never been used as a Chatram. It was apparently the same old story of acquiring Government sites on cloak of charity and eventually converting the same to one's own use.

6. Sadasiviah petitioned the Deputy Commissioner, (Mr. K.P. Puttanna Chetty), to set aside the sale and was given an endorsement that the sale could not be set aside as all his alleged claims were fully enquired into before the sale and found none to exist.

7. The present memorial is against this order, to have the said sale cancelled.

I have the honor to be,

Sir,

Your most obedient servant,
